Proficiency Level Description	Reflection Questions for Students:
1 - Attempting Creates a simple message using some digital tools.	Describe the digital learning goal(s) in this assignment. The goal of this assignment is to teach students how to share appropriate digital information about themselves that others will be able to see.
2 – Developing Able to Identify digital tools, apps, and procedures used when creating the message.	Identify the digital tools, apps and procedures you used to complete this assignment. The tools I used to complete this assignment were "insert/edit a link" in the word document, I searched the internet for ideas, and I used the "YouTube" app and the "Unsplashed" website. I was able to embed the required documents into my blog.
3 - Proficient Blends the message and the media digitally, to effectively communicate ideas in a digital medium, while using <u>all</u> the digital tools encouraged for this assignment.	**Did you successfully copy the link to your published page and upload it to MS Teams?** Yes, I was able to embed the required documents to my published page and I was able to upload it to MS Teams.
4 – Extending Prepares and shares a creative, positive, informative and useful online portfolio that is available for discussion, peer review and/or collaboration. Fully and thoughtfully completes the self-assessment.	What part of this assignment are you most proud of? And what would you improve if you did it again? I was most proud of the equality and equity video I posted because equality is an important topic that everyone talks about, but the equity portion of equality is often not considered. If I had to do this again, I think I would be more comfortable sharing more about myself.
What overall grade do you feel you have achieved on this assignment? Explain. I would expect to receive the grade to which my finished product met the criteria for. If the grade was based on effort alone, I achieved an A because I give all my effort toward every assignment I do.
