

ERICA SPENCE PRESENTS

THREE STRATEGIES THAT YOU CAN USE TO KEEP YOUR DIGITAL FOOTPRINT APPROPRIATE AND SAFE

Make sure what you're about to do is on a safe, trusted, or well known website.

Think about what you're about to post. Make sure it isn't something personal that you wouldn't want to be shared elsewhere.

Ask yourself this question: Would you be comfortable with your friends, family, and future job employers to see it?
