

Digital Learning Curricular Competency: Personal and Social Responsibility

Digital Citizenship: Character in Action

Proficiency Level Description	Reflection Questions for Students:
<p>1 – Attempting</p> <p>Demonstrates an understanding of a digital pillar.</p>	<p>What pillar did you choose?</p> <p>I chose to do kindness (or compassion, but I specifically used the work kindness.)</p>
<p>2 – Developing</p> <p>Able to connect the digital pillar to achieving a healthy and positive digital environment.</p>	<p>How did you represent the pillar in your logo/symbol?</p> <p>I represented kindness by making it into the symbol a flower. I did this because I think that even unkind people have the ability to grow and to become a better, kinder person.</p>
<p>3 – Proficient</p> <p>Expresses personal views and perspectives as a positive digital citizen.</p> <p>Aware of how a positive online reputation can be an asset that should be developed and managed effectively to support aspirations.</p>	<p>Why is it important to consider your pillar while interacting online?</p> <p>It is important to consider kindness while online because it's good to be kind in a place like the internet, where there is often not a lot of kindness, like cyberbullying.</p>
<p>4 – Extending</p> <p>Assignment is proficient and is effectively and creatively displayed on student website.</p> <p>**Self Reflection is complete</p>	<p>Did you complete all aspects of this assignment and properly embed the document on your website?</p> <p>I think that I was able to effectively incorporate all parts of this assignment. I was able to complete the poster with all parts of it included.</p> <p>I was also able to show it on the website.</p>
<p>What overall grade (out of 4) do you feel you have achieved on this assignment? Explain.</p> <p>I think that I achieved a 3-4 on this assignment, I was able to do all the criteria, and I think that I did it well.</p>
