

# HOW TO KEEP YOUR DIGITAL FOOTPRINT SAFE

***MAKE SURE YOU NEVER POST ANYTHING THAT YOU WILL REGRET IN THE FUTURE, AND CAUSE PROBLEMS WITH GETTING JOBS! POST PICTURES YOU WOULD SHOW YOUR GRANDMA!***

***Make sure you don't put anything personal in your online accounts like, address, credit number, where you go to school, Etc.***

***MAKE SURE YOU LOGOUT OF UNACTIVE/UNUSED ACCOUNTS!***

***Use privacy settings and only allow your close friends and family, to ensure no bullies or old men don't stalk you!***
